DEPARTMENT: ANIMAL CONTROL

Form #1

BUDGET NARRATIVE

Description of Department Function

Describe the overall mission or purpose of the Department.

The purpose of Animal Control is to enforce the Town bylaws regarding domestic pets and livestock.

To answer and resolve calls pertaining to leash law violations, excessive barking complaints, etc. Animal Control also works closely with other Town departments Police, Fire, DPW, Board of Health and Town Clerk.

Animal Control removes deceased animals from roadways, domestic and wild.

Animal Control serves as the Animal Inspector for the State of Massachusetts issuing quarantines for domestic animal bites, wounds of unknown origin, etc. Also, capturing sick or injured wildlife, and those that have had contact with people or domestic animals, euthanizes them and preps them for rabies testing.

Programs and Sub-Programs

Consider and list the actual Programs and Sub-Programs Executed by the Department

The incoming ACO has several thoughts on educational programs during her tenure as the Full Time Animal Control Officer. To be discussed.

Accomplishments

Describe the major describable accomplishments or measurable activities in FY22 or CY21. Use statistics whenever possible.

FY23 Departmental Goals

Describe the initiatives and accomplishments planned for FY23

Focusing on more educational programs for youth as well as adults.

Spending Highlights for FY23

Explain any significant budget changes from FY22

Personnel Services changes-there is a significant decrease in this area due to the retirement of the current Full Time ACO. The former ACO had 5 weeks of vacation and the incoming ACO does not have any at this time. Along with a change in the beginning step of the new ACO as the former ACO was at the top step.

Decrease in the Propane line item-a new HVAC system was installed at the Animal Control Kennel-leaving the old propane heater connected as a back up if needed so the propane usage is significantly lower-looking to keep \$1,000 in the line item for propane and maintenance if needed.

Increasing the following line items- (with the money from the propane line the ACO would like to increase the following due to higher costs of supplies and equipment. The gas/oil line is always an over run because that depends on number of calls and varying costs for pump maintenance, every department must pay a share.

Supplies & Expenses \$2,600 (increase \$600) Propane \$1,000-decreased \$1,800 Equipment \$ 3,000 (increase \$500) Vehicle repair \$1,000-no change Gas & Oil-\$3,000 (increase \$500) Water/ Sewer \$600 (increase \$100)

Leaving the last \$100 subtracted from the Propane line as an actual decrease in the Expenses side of the budget.

We split the Animal Control Budget 55% to be paid by Medway and 45% to be paid by Millis

55%=\$46,112.22 45%=37,728.18
